Don't miss the opportunity to own this immaculate, custom-built home in the desirable East side of Absecon, just down the street from the Faunce Landing boat ramp. Built in 2010 by the reputable Doebley and Dad Builders, this property has been lovingly maintained by its original owner. Thoughtfully updated, the home now features a beautifully finished basement with full-sized windows, perfect for additional bedrooms, living space or entertainment. Plumbing is accessible for a bathroom, if desired. The primary bathroom offers a luxurious custom tiled spa shower with dual showerheads — a true retreat. Recent upgrades also include a new water heater, a 'smart' convection gas stove with built-in air fryer, and a new A/C compressor for year-round comfort. All concrete surfaces in the front and back of the home were leveled and sealed this year. This is a must-see for anyone seeking quality construction, modern updates, and a fantastic location. Professional photos coming soon.
