55 Plus community. This home is currently in the process of some updates. New Flooring, Painting, and other minor details to be enhanced. More pics to follow. 1 bedroom 1 full bath. In the past, this was a 2 bedroom unit. I would presume a wall can be put back up, easily, if need be. Super spacious. Nice yard. Shed. Enclosed patio is a bonus. Oversized carport! Also a bonus! To be sold in "as is" condition. Seller is not capable of making additional repairs. The home, however, has a hvac that's less than 5 yrs. A recently updated rubber roof. New front steps. All appliances are included. Don't miss out on this fantastic abode.
