## COMMENTS

An absolute gem...!! This is the most upgraded home in Pleasantville. This home has it all. 4 bedrooms and 3 full baths and an additional in-law quarter with a full bathroom. This house is excellent for a large family, with plenty of parking space on the driveway and the back of the house. The back yard is partially paved and has a barbecue pit for complete family enjoyment. The yard is totally manicured to perfection and has a sprinkler system. Anything that a family may need, this great home can provide it.
