Long drive takes you back to this serenity shrouded oasis. Pulling up, you will the pride in ownership with how well maintained this home is. The Andersen windows glisten in the sun and offer great efficiency over vinyl replacement windows saving you \$\$\$! Newer roof & skylights combined with a wood-grain style vinyl siding further add to that efficiency & ease of maintenance on this stunning home. Covered side & front porch areas are great retreats to relax and enjoy this slice of tranquility. Family room offers incredible space to both relax & entertain. Billiard area featuring built in bar complete with sink makes this a truly fun & enjoyable space. Area for lounging is equally as impressive on size as well as being drenched in natural light yet retaining a very cozy charm. Looking up, you will find 2 new skylights and a wood flanked vaulted ceiling that offer views to a bonus loft room area. Kitchen is beautifully updated featuring quartz counters, Fabuwood custom dove-tailed, cushion close cabinetry with end panels all around to give it a truly polished and completed look. This kitchen is truly a show-stopper and must be seen to be truly appreciated. There is an office on this floor which could be used as a flex space for many possibilities such as bonus den, workout room, craft room & much, much more. Bedroom on this floor offers convenience for guests. En suite on 2nd floor is very inviting with a private bath. All guest bedrooms and guest bath on this floor are very comfortably sized. Walk out onto the multi-tiered decking that creates an absolutely perfect space, approximately 600 SQ FT, with which to unwind and enjoy this zen-like property overlooking the stamped concrete sidewalk with custom compass engraved into it as well as the gorgeous garden and chick coop areas! Pro photos to follow!
