Rare opportunity to own a townhome close to the 4x4 drive-on beaches at an incredible value! So much potential! The great price reflects the property's as-is condition and is currently the lowest priced townhome for sale. BONUS updates: new luxury vinyl flooring, granite counters, and the AC unit is 8 yrs newer. Also features a grassy back yard and 2 original decks. This home is brimming with possibilities and is waiting for you to make it your own. You'll love how the interior flows from the living room to the dining area, then to the kitchen. You'll also LOVE the location! Just a couple blocks to the beautiful beach, convenient 4x4 drive-on access, and gorgeous sunsets! Also located close to the community center complete with mini-golf, basketball, tennis, bocce and pickleball courts, the Acme shopping center, great retail stores and dining, and just a few minutes to the bridge and over to the fun and excitement of Atlantic City casinos! With its unbeatable location, any investment into adding finishing touches to this home will be well rewarded. Perfect for investors, vacation rental owners, or anyone looking to own in beautiful Brigantine!...no condo fees just shared insurance
