The beautiful curb appeal is just the beginning! This lovingly maintained three bedroom, three and a half bath classic colonial home is perfectly situated on a quiet, tree-lined street. Offering the best of all worlds with its location only minutes to everywhere you want to be. Step inside and you are greeted with an oversized living room to the left of the center hall foyer featuring hardwood floors and an abundance of natural light. The living room flows seamlessly into the dining room and gourmet new kitchen featuring custom cabinetry, quartz countertop and tile backsplash. An oversized pass through window in the kitchen overlooks the stunning in-ground pool and three season room. A brick gas log fireplace beckons you to the family room.
