Custom Contemporary tucked away on a quiet cul-de-sac. This 4 bedroom and 3 bath home offers the perfect blend of style, comfort, and functionality. Thoughtfully updated residence welcomes you with soaring cathedral ceilings, abundant natural light throughout and space for everyone. The multi-level design provides both privacy and open-concept living. The stunning chef's kitchen boasts quartz countertops, stainless steel appliances, and generous cabinet and counter space — seamlessly opening to the dining area and inviting living room highlighted by a stone gas fireplace. The first floor also includes a formal living room, full bathroom, and a bright Florida room with wet bar, ideal for relaxing or entertaining. A few steps down lead to a versatile recreation/flex room and a convenient laundry area. Upstairs, you'll find a spacious loft, three additional bedrooms, and a full bath. The private master suite, accessed via its own staircase from the Florida room, features a master bath and an oversized walk-in closet & gas fireplace. Step outside to your backyard oasis — complete with a fenced yard, in-ground pool, and patio area perfect for gatherings. Additional highlights include a 2-car attached garage, three storage sheds, and solar panels to help reduce utility costs. A truly unique home offering space, comfort, and exceptional design! Open House, Saturday, Oct. 18th, 12-2pm
