COMMENTS

This is an "As-Is" sale. Buyer responsible for inspections, certifications, and any repairs. The home offers 5 bedrooms, 2.5 baths, 2 fireplaces, and over 3,000 sq. ft. — plenty of space to reimagine. While the property is dated, it presents an incredible upside given the proximity to Ocean City, Sea Isle, Somers Point, and brand-new developments in Marmora. Key Selling Points for Agents to Use: 1 minute from Tuckahoe Tavern and Beesley's Point beach Major new development: hotels, restaurants, boat ramp, golf course, dog park, jet ski rentals, etc. — strong appreciation potential Excellent school system, ideal for families Though located on Route 9, traffic is limited to local residents and restaurant-goers, making it safe and not a cut-through road.
