The suite features an oversized custom closet and an extraordinary bath with a walnut vanity, striking stone and marble finishes, and a double head steam shower, a spa retreat in its own right. Every bath in the home reflects the same level of detail, with honed Calacatta marble tile and luxurious iceberg marble vanities creating a serene atmosphere throughout. With four bedrooms, a den, and a home offers abundant space for family and guests to enjoy the ultimate coastal lifestyle. Additional upgrades abound, from Anderson Architectural Series windows and entry trim to a bespoke indoor and outdoor audio system with neatly panels in a dedicated tech closet.
