COMMENTS

DRASTICALLY REDUCED...!! A big house for a big family. It may need some updating, but the price for this location is great. This is the best area in Pleasantville. A family oriented neighborhood. Only a 1/2 block to the bus stop and totally accessible to major roads. The house has plenty of space for everyone and all it needs is someone to provide some love and care. The house needs some updating, but the price will compensate for it.
