

316 woodstock
Cherry Hill, NJ 08034

Asking \$599,999.00

COMMENTS

Run--don't walk--to see this rare find in beautiful Cherry Hill! This unique property sits on over an acre of private grounds — a truly rare find that combines space, privacy, and convenience. Enjoy the expansive backyard, perfect for family fun, entertaining, or future enhancements like a patio or pool. This spacious 4-bedroom, 3-bath home is tucked away in the desirable Glenview neighborhood of Cherry Hill, just minutes from Haddonfield's charming shops and restaurants. Inside, you'll find new LVP flooring throughout, upgraded countertops, freshly painted cabinets, a bright bay window overlooking the yard, stylishly updated bathrooms, and a recently updated roof. The sky's the limit with the potential this property offers — don't miss your chance to make it your own! -Professional photos coming soon. -Above-ground pool will be removed this week.
