*** The Seller has received multiple offers - and is asking for highest and best offers by Friday, November 14th 2025 by noon. *** Discover a prime investment opportunity for any Investor or Residential Buyer with this exceptional property featuring two fully renovated cottages on one lot, each offering 2 bedrooms and 1 bath. Nestled in a highly desirable neighborhood, both homes underwent extensive upgrades between 2021 and 2022, including new roofs, siding, kitchens, and bathrooms. Long-term tenants—who have resided in the cottages since the renovation—are reliable, punctual with rent, and eager to stay. Whether you're a seasoned investor, entering the real estate market for the first time, or you're looking for your own home with an income property, this income-generating property offers stability, charm, and strong potential for long-term growth. Tenants are currently on a month to month basis. Although the homes are in excellent condition, the Seller is selling them in "AS IS" condition. More pics to come!
