Discover the Northfield Gem — Open House This Weekend! Saturday & Sunday | 12–2PM | 1203 W Mill Rd Tour this fully remodeled 5BR, 3BA home with designer finishes, home office, and a backyard built for entertaining! 1203 W Mill Rd, Northfield | 5 Bedrooms | 3 Bathrooms | 2,384 Sq Ft | Oversized Lot | 2-Car Garage : Step into this beautifully remodeled 3-story home where timeless charm meets modern living in the heart of Northfield! Featuring 5 spacious bedrooms and 3 full bathrooms, this home offers versatility and comfort for families of all sizes. Inside, you're greeted by a bright, open layout that flows effortlessly between the living, dining, and kitchen areas - highlighted by contemporary lighting, recessed fixtures, and sleek marble-style flooring with golden veining for a bold designer touch. The main floor includes a dedicated office with glass French doors, perfect for remote work or creative projects. The spacious living room features a modern fireplace wall, while the elegant dining area sits beneath a statement chandelier with tons of natural light. The elegant kitchen showcases custom cabinetry, granite countertops, and stainless steel appliances - perfect for everyday meals or entertaining guests. This open concept also offers an additional den over Upstairs, you'll find generous bedrooms and remodeled bathrooms offering comfort and versatility for family, guests, or multi-generational living. As you enter through the front door, to the right of the staircase you'll find a bright and versatile open-concept lounge area, surrounded by large picture windows that flood the space with natural light. This section of the home is ideal as a sunroom, reading nook, or second living area, offering a peaceful view of the landscaped yard and the front walkway. The modern light fixture and bold marble-style floors with golden veining add an elevated touch, while the clean lines and neutral palette allow for effortless décor customization. The first floor's thoughtful design - combining open living, a private office with French doors, and a full bath - blends practicality with comfort, making this home as functional as it is beautiful. Enjoy resort-style living right at home with a fully fenced backyard featuring a custom firepit lounge, private playground, outdoor shower, and even your own putting green - ideal for entertaining, summer fun, or quiet evenings outdoors. The home also features a two-car detached garage, shed, ample parking, and an attractive exterior presence with professional landscaping and irrigation system. More than just beautifully remodeled, this home was designed for connection - where family, friends, and lasting memories come together. Welcome to 1203 W Mill Rd... where comfort meets style, and every day feels like home.
