Original project started in 2015 but this specific unit was newly completed in January 2023, making it less than three years old and featuring premium high-end upgrades throughout. The kitchen showcases top-level finishes including Chestnut Shaker-style cabinetry, Black Galaxy 1.5" granite countertops, a stainless-steel sink with upgraded sprayer, and a full suite of GE stainless appliances: 4-burner glass top range with Power Boil element, 5.3 cu. ft. oven, 1.6 cu. ft. over-the-range microwave with 2-speed venting, and 18 cu. ft. refrigerator. The home is efficiently climate-controlled with three LG mini-split systems—one in the living room and one in each bedroom—and electric baseboard heat in the bathroom. Flooring includes premium vinyl laminate and top-grade carpeting. The bathroom features an upgraded vanity, elevating the space with a touch of luxury. All appliances carry 2022 manufacture dates, and the mini-splits are 2020 models. Enjoy the security and convenience of a private resident parking lot and key fob entry. Monthly HOA fees are \$184.51 and are not expected to increase, while 2024 property taxes were exceptionally low at just \$411.
