Welcome home to Cherokee Lane!! This home offers 4 Bedrooms, 1 & 1/2 bathrooms, and is situated at the end of a culdesac - perfect for the kids to play. A traditional 2 story home, the first floor welcomes you in with the living room leading into the brand new kitchen. Tons of space in the kitchen with a peninsula and an island, along with room for your dining table. Off of the kitchen is the den, laundry room, powder room, and beautiful new trex deck with hot tub- talk about a backyard meant for enjoyment! New hardwood flooring throughout the first floor accentuates the light and flow of the home. Upstairs you will find your large master bedroom, along with 3 additional bedrooms and full bathroom that was redone beautifully. Also to note - lighting in kitchen is new, as are some of the windows on the first floor. Don't wait, a gem like this in Absecon doesn't come along everyday...
