This home is pure Jersey Shore charm — the kind of place that's been part of summer memories for generations. Step inside and you'll feel that vintage cottage character right away with its original details, bright natural light, and that unmistakable coastal warmth that makes you instantly relax. On the main level you will find 3 bedrooms, a full bathroom and a large utility/storage closet. And on the upper/main level you will find an open concept floor plan featuring a cozy and inviting living area complete with vaulted ceiling. The lovely front porch is perfect for gathering after a day at the beach or sipping your morning coffee with the ocean breeze drifting in. The kitchen keeps that old shore-cottage feel, but with just the right updates to make it comfortable and functional for modern living. With 4 bedrooms and 2.5 baths, there's room for family, friends, or even a summer rental opportunity. Each space feels bright, airy, and full of personality.
