Two story home offering 4 bedrooms and 2 full baths, including a convenient first floor main bedroom with its own bathroom. The kitchen features recently updated stainless steel appliances. Situated on a corner lot in the heart of Atlantic City, the property is close to schools, public transportation, and casinos. You can't beat the low taxes for a 4BDR property. Renovations have been started, but some areas still need to be completed. Attention investors! or someone with a handyman mindset. Heating system is no functional. Sold AS IS More pictures to come!
