The home overlooks the 10th-hole fairway and a tranquil lake where swans and wildlife are a daily sight—an exceptional backdrop rarely offered in Harbor Pines. Inside, the 4-bed, 3.5-bath layout includes a first-floor office that can serve as a 5th bedroom. The upper level features a junior suite with en-suite bath, a guest room with golf-course views, another guest bedroom with an adjacent hall bath, and an oversized primary suite complete with a sitting area, walk-in closet, and a spa-inspired bath with double vanity, walk-in shower, and whirlpool tub. Perfect for both everyday living and entertaining, the home offers a formal dining room, a cozy living room anchored by a gas fireplace, and a cathedral-ceiling great room with skylights, a wet bar and pool table. Sliding doors lead to the rear deck, which connects to a expansive back yard, patio, and private outdoor setting ideal for relaxing and taking in the peaceful views. With a three-car garage providing excellent storage and parking, and a setting that seldom becomes available, this home presents a rare opportunity to secure a premier location within Harbor Pines.
