Enjoy updated single-level living in a bright modern ranch just minutes from Somers Point beaches, marinas, dining, and the bridge to Ocean City. A covered front entry with classic columns opens into an open-concept layout featuring cathedral ceilings and a modern kitchen with shaker cabinetry and stainless steel appliances that seamlessly flow into the main living space. The home offers two bedrooms and two newly remodeled full bathrooms, including a primary suite with a spacious walk-in closet. Both bedrooms feature comfortable carpeting. The backyard is a private outdoor oasis featuring a large hardscape patio for entertaining, an outdoor bar and built-in grill area, a fire pit, and a composite deck that leads to the above-ground pool. The white vinyl-fenced yard adds privacy, while a detached garage provides a mancave-style bonus space, along with an extra shed for storage. An oversized driveway allows parking for five to six cars, and solar panels help keep utility costs predictable and affordable. Move-in ready with modern updates and exceptional outdoor living, this property is a standout opportunity at the shore.
