COMMENTS

Welcome to this well-maintained ranch-style home with an open floor plan, vaulted ceilings, and tranquil views overlooking Patcong Creek. The wide living and dining area flows into an updated kitchen featuring a large granite island, new lighting, and a GE Café appliance package. All three bedrooms are nicely sized, including a comfortable primary suite, and the bonus room in the back—new carpet in 2023—offers great flexibility as an office, den, or extra bedroom. This home has benefited from substantial recent updates: new rear roof (3/2023), GE Café appliance package (3/2023), new front door (8/2023), refreshed interior paint (2023), updated landscaping, and a newly improved pantry/laundry area with new flooring, plumbing, and shelving. Electrical switches and outlets have been replaced, new smoke and CO2 detectors installed, and polybutylene lines have been replaced with PEX inside the space per insurance recommendations. Polybutylene still exists underneath the house. Additional improvements include new HVAC (7/2024), two outdoor sheds, a refreshed primary bath, and a newly painted masonry foundation (2025) with a 20-year block paint guarantee. A new lock set was just added to the sliding door, and a new exterior door light is being installed. Opportunities like this—move-in ready, updated throughout, and offering scenic creek views—are rare in Somers Point and the surrounding areas at this price point. Conveniently located near restaurants, marinas, shops, and beaches, this home blends comfort, value, and an unbeatable setting.
