This residence features 4 bedrooms, 2.5 bathrooms, a two-car attached garage, and approximately 800 square feet of finished basement space, along with additional usable area—perfect for a home office, gym, or recreation room. Step onto the covered front porch, an inviting spot to relax and unwind, and enter into a stunning two-story foyer that sets the tone for the home. The first floor features high ceilings and elegant hardwood flooring, creating an open, airy feel throughout the main living areas. The kitchen is designed for both everyday living and entertaining, offering plenty of counter space and stainless steel appliances. Upstairs, the laminated flooring provides a clean, low-maintenance living environment. The spacious primary suite is a true retreat, featuring ample closet space and a ceiling fan for added comfort. The primary bathroom offers luxury and convenience with a double vanity, jetted tub, and a separate standing shower. A dedicated laundry area enhances the home's thoughtful, functional layout. Outside, the backyard is ideal for gatherings and entertaining, with a large concrete patio and a fully fenced yard providing privacy and space to enjoy. Perfectly located close to Stockton University and AtlanticCare, with easy access to the Garden State Parkway, this home combines comfort, convenience, and a prime location!**
